

STATE OF TEXAS
OFFICE OF THE GOVERNOR

Greetings:

As Governor of Texas, I am pleased to offer congratulations to the faculty, staff and students of Laredo Community College on the accreditation of LCC's Heating, Ventilation, Air Conditioning and Refrigeration Program.

This accreditation by HVAC Excellence demonstrates your shared commitment to excellence in training qualified HVAC professionals. Our state's diverse and rugged natural beauty is matched with a climate that can sometimes reach to extremes — just ask anyone baking in our summer sun or freezing through a Panhandle winter. Of course, we wouldn't have it any other way, but those extremes make air conditioning, refrigeration, ventilation and heating vastly important to our modern way of life. I commend you all for your dedication to ensuring that your students have the best and most up-to-date training available, so they can join our state's excellent workforce and provide the best service to their clients.

First Lady Anita Perry joins me in offering best wishes for continued success.

Sincerely,

A large, stylized handwritten signature in black ink that reads "Rick Perry".

Rick Perry
Governor
